Hello customer

Update re: the revitalisation of the old Camperdown Bowling Club site on Mallett St, Camperdown

Firstly I'd like thank you for registering your interest in being kept up to date with news regarding 31a Mallett Street, Camperdown.

Camperdown Project Pty Ltd is thrilled to have been selected to revitalise this valued community facility and we are looking forward to the months ahead as these plans progress.

What's been happening?

Insofar as the project goes, we've been working our way through the usual regulatory matters that are needed prior to the submission of a DA. This includes selecting an architect and liaising with a number of community groups. This phase of our timeline is slated for completion in January 2015.

As you may know from previous announcements and reports in the media, one of our priorities is to hear directly from interested residents before we submit a Development Application to Marrickville Council for its consideration.

With that in mind, we will be hosting a number of 'Have Your Say Day' meetings once development concepts can be presented more fully. These will be held in the CHP School of Hospitality Training Room at Canterbury Hurlstone Park RSL Club.

These are scheduled for early February 2015 once schools go back, with session times spread throughout the day and early evening to make them as convenient as possible:

Wednesday 4 February at 11am, 3pm and 6pm

Thursday 5 February at 11am, 3pm and 6pm

Friday 6 February at 11am, 3pm and 6pm

To ensure that there is ample time to hear residents' ideas, each meeting has been capped at 15 people. If you are interested in participating, please send an email to RSVP@camperdownproject.info along with your first and second preferred session time.

We encourage an early response so that a seat can be reserved for you at your preferred time and date.

We hope to see you there.

Regards,

Lloyd Pollard
